FJELL & VIDDE and DNT's yearbook

Fjell & Vidde is Norway's largest outdoor magazine, and is the membership magazine of the Norwegian Tourist Association (DNT). In 2026, DNT once again set a historic membership record, with over 340,000 members.

The editorial team also produces DNT's yearbook, which has been published in an unbroken series from the association's founding in 1868 until today. The yearbooks are an exceptional source for both DNT's own history and Norway's history about outdoor life, culture and nature conservation.
